Mrs. Sarah Gorham,

Dear cousin after some neglect on account of having the blues caused by winter weather in the summertime.

Had a pretty day and started on another and feeling better.

We'll send you a check of five dollars to bring you out here Jim said if you have any mishaps

And it back to you said he would give you the money to go back on.

Hope you are all well and that Frank will come with you and we will all have a good old time.

Best wishes to all

Your cousin Mary a Gilbert
