My Dear Aunt Sarah,

How are you? Would love to have your dear self here with us. We wish for you lots Aunt Sarah. We always felt near to you and wished we could live near you.

You asked me about the other children. Taylor is in the Navy. He is sailing for Panama now. He has been stationed at San Francisco, California. Taylor is a big husky boy. Just like the Taylors. All the children are like the Taylors except me, Aunt Sarah and I just have one blue eye like mama. Otherwise I am a McClary they all say. All the boys are big healthy men. David also. David talks of coming to see you often. He may come sometime.

Bill is married and has one boy and two girls. He lives in Tulsa, Oklahoma.

Frankie has two children a girl and a boy, awfully sweet children golden hair and blue-eyed Babies. Frankie is just a picture of mama they all say.

Papa and mother live in Tulsa also. I suppose you know Papa's wife. She was Nola Campbell when a girl. Related to Aunt Jane Foster.

Uncle has the incubator setting we haven't any chicks yet. Hope we do soon. Am glad you are having good luck with yours.

Aunt Sarah, I am piecing some quilts for myself. I wish you were here to quilt them for me and teach me how. No one can do it as well as you do. I remember Aunt Amy used to say what a nice hand Aunt Sarah was to peace and quilt quilts.

Well I must close Aunt Sarah we always love to hear from you. Did we tell you we had a letter from Aunt Mary Ann Gilbert. She was at Halifax Virginia. She
