Everything is sure green looks pretty to see things green at this time of the year. Uncle Seymour is just fine he works all the time never has time for anything but work.

Think Aunt Ellen & Seymour are coming pretty soon to say hello I guess that is just about as long as they stay. She had better come stay all the time. He needs her to take care of him. He cant even put his shoes on. He has a little Mexican boy to stay with him. He is good to Uncle Seymour tho. Mrs. Turner & family are just fine. You wouldn't know Nevada Aunt Sarah. She is 5 feet 8 inches tall and weighs 160 lbs. Now. What do you think about her. She is just 14 years old. Papa says she looks like she

We have 4 more small ones & have a little sow that will bring pigs soon. We bought her from papa. I set a hen today I sure do hope she hatches every egg. We'll set another just as soon as I can save enough eggs up. I just have a few hens. I am going to try and have lots of chickens this year

Mama has 70 little chickens. She will have lots of chickens if they will just do good. Papa has had the old head ache all day yesterday and today He is almost sick. I wish papa didn't have to have those old headaches like that but you know he has always had them. I have them about once in 2 or 3 weeks. It isn't very funny. Mama she is not well like she use to be I guess you know what the matter is (change of life). She
